

THE NERIUM EXPERIENCE

GET BACK TO THE REAL YOU

Get Started with the Nerium Experience in Six Simple Steps:

1. Wash your face.
2. Take your “Before” photo in a well-lit area with a digital camera.
3. Apply 4–5 pumps of Age-Defying Night Cream to *slightly damp* skin for at least 5 consecutive nights.
4. Rinse off the Night Cream in the morning and apply 4 pumps of Age-Defying Day Cream onto your dry face.
5. After 5 days, take your “After” photo in the same lighting as your “Before” photo with the same camera.
6. Contact your Nerium Independent Brand Partner to discuss your results.

Nerium skincare products are formulated to improve the appearance of:

- Fine lines and wrinkles
- Discoloration
- Uneven skin tone
- Enlarged pores
- Sagging skin

“Nerium makes me excited to see my reflection instead of avoiding it! Looking in the mirror was the last thing I used to do and now it's the first thing! I'm smiling!”

–Tonia S.

"My skin is SO sensitive, and I hated using anything on it. I used the product, and I couldn't believe the results! It's the best feeling in the world!"

– RJ, CA

"I am always looking for a product with real results. I love the results I am seeing with Nerium, and others are seeing it as well."

– Penny, SC

"I've never really gotten into a routine of washing my face at night, but now I look forward to it, because I know I'm about to apply a healthy dose of Nerium. Love it!"

– Padriac, AZ

"So it's now Day 14 of my Nerium Experience and here's what I'm seeing: smaller pores and less redness."

– Lara, TX

"Nerium is awesome. My face is looking the best it has looked in years. It has helped with my skin problems. My pores are looking better, too."

– Evelyn, TX
